**Honorable Robert H. Cleland**

**JOINT AGREED MOTION TO MODIFY SCHEDULING ORDER**

Plaintiff Rose Coulter-Owens and Defendant Rodale Inc. (collectively, the “Parties”), by and through their respective undersigned counsel, hereby move the Court to extend the remaining deadlines in the scheduling order by twenty-eight (28) days. In support of this Motion, the Parties state as follows:

1. On October 17, 2015, this Court entered a Scheduling Order, setting the dates through Trial. (Doc. 36.)
2. On November 4, 2015, the Parties participated in a mediation session in Chicago before Retired Chief Judge James Holderman (previously of the Northern District of Illinois) and made significant progress toward the ultimate resolution of this matter.
3. Since then, the Parties have continued to discuss the potential for a class-wide settlement, and have agreed to participate in further settlement discussions with Judge Holderman in the coming weeks.

4. Accordingly, the Parties request that the Court extend the remaining dates on the current Scheduling Order by twenty-eight days to allow the Parties to fully engage in continued settlement discussions with Judge Holderman, and to conserve resources that would be necessary to spend on experts in the upcoming few weeks under the current schedule, but that otherwise could be used toward potential resolution. The Parties seek an extension of the Scheduling Order, starting with Plaintiff's deadline for expert disclosures, as outlined below:

<b>Event</b>	<b>Current Deadline</b>	<b>Proposed Deadline</b>
<b>Deadline for Parties to exchange initial disclosures.</b>	March 23, 2015- COMPLETED	COMPLETED

<b>Deadline for Defendants' expert disclosures relating to class certification.</b>	January 11, 2016	February 8, 2016

---

<sup>1</sup> The Parties have completed fact discovery, with the sole exception of one third-party deposition, which, by agreement, will be taken outside of the fact discovery period, but prior to the proposed deadline for Plaintiff's expert disclosures relating to class certification (December 28, 2015).
